- I. PURPOSE:** The purpose of the Lake Murray Symphony Orchestra's Young Artist Competition is to encourage and reward excellence among local high school musicians via a solo performance opportunity and three cash prize awards, and thus provide for the education and enrichment of the young performer, audience and orchestra.
- II. WHO MAY ENTER:** All Young Artist Competition applicants must be enrolled in grades 9-12 in a public or private high school in Richland, Lexington, Saluda, or Newberry county in South Carolina. Applicants may compete up to four times, once each during the freshman, sophomore, junior and senior years, unless previously selected as a Young Artist Concert Soloist. Students involved in home-schooling programs are also eligible to apply if their permanent residence lies within a school district in Richland, Lexington, Saluda, or Newberry county in South Carolina. This competition is open only for solo band and orchestral instrumentalists. Ensemble groups, vocalists and pianists are excluded from the competition.
- III. COMPOSITION SELECTION:** All competition applicants must be prepared to perform a composition that has an available orchestral accompaniment, and must indicate on the application the name of the publisher, and provide the name, email address and/or telephone number where we may rent or purchase the orchestral parts. Please consult your high school music director and/or your private teacher for assistance in gathering the information. The Lake Murray Symphony Orchestra reserves the right to deny an application if the rental/purchase price of the accompaniment is deemed cost prohibitive.
- IV. COMPETITION:** The Competition will be held on **Saturday, March 9, 2024** at Cornerstone Presbyterian Church, 5637 Bush River Road, Columbia, SC 29212. Performances will be open to the public and limited to 15 minutes in length. Competitors must provide their own accompanist. Recorded accompaniment is not allowed. **Total playing time may not exceed 15 minutes.** Please number the measures in your solo, and bring THREE copies of the solo music. Photocopies are acceptable, and will be destroyed immediately after the competition. If selected to perform at the Young Artist Concert, the applicant must play the same piece as auditioned. Both the audition and performance may be played with music or from memory.
- V. SIGNATURES & STUDENT ID:** (1) You, the Applicant, (2) Your Parent / Guardian and (3) Your Private Teacher and/or Music Director must sign the application in the proper spaces, certifying that all parties have read and understand all requirements. (4) A **copy of your CURRENT school Student ID** must be included with the application, or if a private / home school student, a **copy of your school's accountability group acceptance documentation** (to verify enrollment) for the 2023-2024 school year. These items verify both student status and residential location.
- VI.** Before returning the application form, the applicant must determine whether an orchestration of the accompaniment for the work to be performed exists. Check this with your teacher. Please email the Lake Murray Symphony music librarian at Librarian@LMSO.org directly if assistance is needed in determining the availability of orchestra accompaniments. **You should also state whether the accompaniment is available for purchase or rental and from whom.**

Your application will not be considered unless this information about the music is supplied.
